Revision of Functional Characteristics for RT-21 Transmitter

REF : O&T 58-636 dated 20 May 1958

1. After reviewing the RT-21 Functional Characteristics, your Division gave approval in principle and stated several reservations in the referenced memorandum. These reservations were resolved in a meeting between O&T and OC-E on 20 June 1958 and the Functional Characteristics were to be rewritten.

2. The revised Functional Characteristics for the RT-21 have been completed and are herewith presented for your consideration and approval.
